Dear Parent/Guardian:

Eighth grade students have the opportunity to take **Spanish I** as one of their related arts courses. Upon successful completion of this course, your student will earn one (1) high school credit. Please note that there are specific criteria for enrollment in Spanish I: **the student must have received a score of 400 or higher on their Reading 7 SOL and have received a “C” or higher in their Language Arts 7 course.** After meeting the specific criteria and signing and returning the form below, your child will be enrolled in Spanish I for the 2015-2016 school year. Please return the bottom portion of this letter to Montross Middle School no later than Friday, June 17, 2016.

Sincerely,
